

# Your Wedding *In Paradise*

2024

COLLADOS  
— BEACH —

## Can you imagine your *Wedding* in front of the sea?

Paradise in Mar Menor exists and it is called **Collados Beach**. Right on the beachfront, the Natural Park of La Encañizada sets the sea as a backdrop and Collados Beach brings the magic.

Its minimalist architecture stands out on the coast of Mar Menor, on the shores of the Mediterranean Sea, where the Encañizadas (a traditional fishing weir) remain untouched by a landscape resting in calm waters.

Collados Beach has a great team of professionals with **years of experience** in the sector, making customer service and satisfaction the first link in the chain for our events to be successful.

# Our areas

We have different areas to celebrate the ceremony: the cocktail, the banquet, as well as the after party for more than 300 guests.

**Our beach:** An ideal ceremony location offering views of the Mediterranean Sea.

**Chill out:** Outdoor front area with fine sand, chill out furniture, beautiful views of the beach and its marvellous sunsets.

**Terrace:** Perfect to wait for the bride and groom and hold the cocktail party next to our beach bar.

**Pool:** Spectacular area for setting up outdoor tables.

**Lounge:** Ideal for events in cooler months and midday celebrations.

**Changing rooms:** For guests use with lockers at their disposal.

**Private bathroom:** For the bride

**VIP area:** For open bar and party.
